

MT Battles Quickstart Guide

1. Build Your Deck

75-card singleton deck built around a Master, one Apex, and an external Paragon.

2. Start the Game

Begin with 200 Player Life in a 2-4 player pod.

3. Use Energy Sources

Energy becomes permanent Sources that generate temporary Energy into your Energy Pool.

4. Battle Politically

Positioning, timing, and table threat assessment matter.

5. Unleash the Paragon

Your once-per-game finisher can define the late game.
